MCQ FINE ART PRESENTS
FIRST SOLO SHOW IN LAS VEGAS BY DAVID RYAN

MCQ Fine Art is pleased to announce its upcoming exhibition of new works by locally based, internationally known artist DAVID RYAN. This is David Ryan's first ever solo exhibition in Las Vegas, opening on December 11, 2014. Ryan's body of work typically produces slick and colorful wall constructions that challenge the way line, shape and shadow interact. With these never before seen works on paper, we will see the artist hand, that will continue to explore these concepts, but with a new technique and level of perception. In addition, several small sculptural stacks take the work off the wall and are the result of a more deconstructive exploration of his materials, allowing the artist to think in more 3-dimensional terms. The exhibition will remain on view through January 30, 2015.

Ryan received his BFA from the University of Texas in Austin, TX before making the move to earn his MFA from the University of Nevada, Las Vegas (NV) where he studied under Dave Hickey and Libby Lumpkin. His work has been exhibited at the Laguna Art Museum (CA), Las Vegas Art Museum (NV), Galerie Jean-Luc & Takako Richard (Paris), Seomi & Tuus (Seoul), Davidson Contemporary (NY), and James Kelly Contemporary (NM). David Ryan lives and works in Las Vegas.
