MCQ Fine Art announces the continuation of Locals Only: Brent Sommerhauser

(March 14, 2012)

Michele C. Quinn Fine Art Advisory is pleased to announce the opening of the next segment of its rotating exhibition series, "**Locals Only**", featuring local artist Brent Sommerhauser and his latest works in glass, sculpture, and drawing. The exhibition will be on view April 26th to June 29th at MCQ Salon, located at 620 South 7th Street, two blocks east of Las Vegas Boulevard, between Garces and Bonneville.

Brent is well known in Las Vegas for his finesse at crafting glasswork and his organic sculptures comprised of carved pencils and other materials. Much of his work involves a harmonization with the architectural environment; this new work seeks to expand his creative vision while transforming the physicality of his materials into a sublime experience. In Sommerhauser's words, his pieces pursue "thin, quiet places where invisible forces and visible material collide."

In 2003 he received a Master of Fine Arts from Ohio State University, and has since exhibited internationally in solo and group exhibitions. Sommerhauser is a thriving artist in the Telegraph Art Collective, a group which continually collaborates on exhibitions and projects across the country. Brent currently teaches fundamentals of design and sculpture at the University of Nevada, Las Vegas, and has previously instructed at The College for Creative Studies, Hastings College, the Kansas City Art Institute, Pilchuck Glass School, and Ohio State University.

Please join us for a VIP reception with the artist Thursday, April 26, from 6:00-8:00pm.
