MCQ FALL EXHIBITION SCHEDULE ANNOUNCED

MCQ Fine Art is pleased to announce its upcoming Fall Exhibition schedule.

BRENT SOMMERHAUSER: New sculpture and works on paper, opening September 18, 2014. Brent's works in this exhibition share a soft, yet distinct, surface quality. New paper works employ a metalpoint process that deposits copper and silver onto prepared surfaces, leaving atmospheric marks with distinct temporal qualities. New glass works will add a sculptural quality to the exhibition, created from a process that merges glass casting and glass blowing techniques.

Opening Reception with Brent Sommerhauser: September 18, 6-8 pm at MCQ Fine Art

ERIK BEEHN: LV / CHICAGO Las Vegas native, Erik Beehn, returns briefly from his MFA studies at the Art Institute of Chicago, to present new works that have been the result of his continued formal training. This will be Erik's second solo exhibition at MCQ Fine Art and the first to highlight the new direction in his work since beginning the MFA program. Drawings/ works on paper and small paintings will be on view.

Opening Reception with the Erik Beehn: November 5, 6-8 pm at MCQ Fine Art

DAVID RYAN Well-known local artist, David Ryan, is preparing his first ever solo exhibition in Las Vegas. Ryan's body of work typically produces slick and colorful wall constructions that challenge the way line, shape and shadow interact. Here we will see the artist hand, with never before seen new drawings that will continue to explore these concepts, but with a fresh level of perception. Small sculptural stacks take the work off the wall and are the result of a more deconstructive exploration of his materials, allowing the artist to think in more 3-dimensional terms.

Opening Reception with the David Ryan: December 11, 6-8pm at MCQ Fine Art.

More details to follow prior to the opening of each exhibition.
